

AT A GLANCE

Spring 2019

Reaching More Through God's Confirmation

A few months ago, we shared with you our leading from the Lord to open up the Reach More Campaign for expansion. Through your generous gifts, the Lord has confirmed His will for God's Helping Hands, and we're on a roll!

Replacement Metal Roof for the Existing Building

Arriving at the office and finding shingles on the ground is a good indication that SOMETHING MUST BE DONE! Praise the Lord, the money for this project came in and **the old roof is being replaced with a metal roof equipped with a watertight underlay!** This roof will last a loooooong time and is a better stewardship of that with which we have been entrusted.

New Septic System

At the time of this writing, we are just a small dollar amount away from having this phase of the Reach More Campaign funded. Once this step is complete we can move on to...

The New Building!

We at GHH are in desperate need of this new building for both continuing our current ministry responsibilities and for our new Reach More goals.

When you donate to the Reach More Campaign, your dollars will be building a facility that will not only give us more "elbow room" for our materials, ministry vehicles and equipment (giving us better "creative spaces" for development) but also will house our new film studio.

The Film Studio...

...is the crowning jewel of the Reach More Campaign as it best represents our efforts to reach more boys and girls with the Gospel. Currently, our film capabilities are very limited due to equipment deficiency and the fact that we do most of our filming in a storage room! We are intent on meeting people where they are and we recognize that although we are very busy going out to be with boys and girls in their churches, camps and communities, we can do so much more by meeting them online in the digital world.

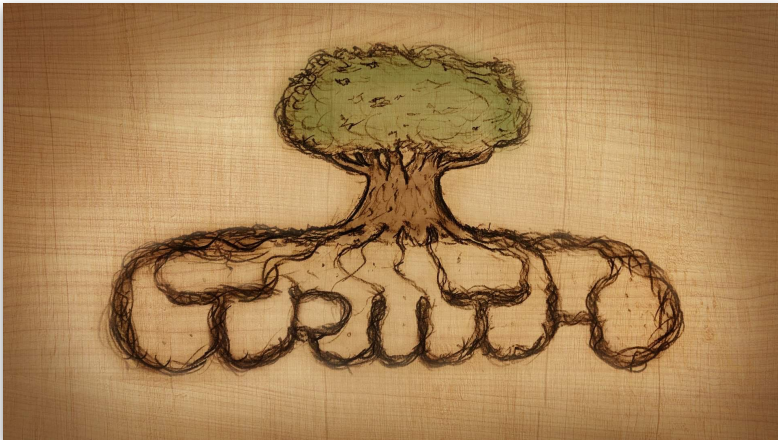

Reaching More Through Travel Ministry

Pontius Pilate famously asked Jesus, “What is truth?” Ironically, his question was designed to avoid the answer! But the question “What is truth?” is one that all people ask as it pertains to the big questions of life. Children waste no time asking these life-shaping questions like, “Is there a God?”, “Is there a right and wrong?” and “What is the meaning of life?” As believers we need to be ready, as Peter wrote, to give “a reason for the hope that is in you.” To that end, this summer GHH is launching a live presentation series entitled, *Truth Travelers* as well as a stand-alone companion classroom curriculum through our *Simple Lesson Solutions* product line entitled simply, *Truth*.

Truth Travelers will travel with us and our posse of puppets helping us proclaim the foundational truths, *There Is Only One God, There Is Only One Way To Heaven, God Made Everything For His Glory, There Is A Right And Wrong and God Never Changes* as we take our audiences on time-travel adventures where God’s word applies throughout history.

Reaching More Through Classroom Curriculum

Through the *Truth* classroom curriculum, teachers will be able to guide their students through expansions on some of the same themes talking about the existence and nature of God, the meaning of humanity and life, and how these things meld together to answer the question of eternity. Each lesson is packed with fun illustrations, discussion points, a short video from the GHH puppets, and, of course, tons of supporting scripture. At GHH, we firmly believe that God’s truths were made to be understood—and that includes by children!

Reaching More Through I.T. Expansion

With all the new technology available and our increasing dependence on it to accomplish our work, it has become apparent that we need someone on staff with expertise in this area. Sometimes it takes time to find the right person to fill a particular need. At other times, the person is right under your nose! It has been our privilege to become acquainted with Katie Stowe during the past few years. Her skills fit in beautifully with our current needs for technical assistance and she has a heart for serving the Lord. In the short time she has been with us, she has already been a great help and we are grateful. Katie would like to introduce herself to you in her own words:

It’s awesome when you can be part of a team and help your teammates be the best they can be. That’s especially true at God’s Helping Hands! My job gives me the chance to help everyone with technical issues whether they are in or out of the office, come up with creative ideas for sharing everyone’s hard work and make plans and organizing methods so they can be efficient and productive in their work. It’s fun and challenging, but my very favorite part about being on staff is being a part of one common goal: sharing the gospel and proclaiming His truth around the world! I get to do that by helping my team confidently travel and show kids and their families all about Jesus! I love my job and I’m getting to help make a difference for Christ at the same time. It’s so awesome to work here at God’s Helping Hands!

~Katie Stowe

Reaching More Through Your Prayers and Financial Support

God’s Helping Hands is a ministry in expansion! As we expand and reach out to more boys and girls with the Gospel, our model for ministry remains the same: people joining people with empty, open hands raised to God for Him to fill and turn into His helping hands. Your partnership through faithful prayer, financial support and volunteer labor is a vital part of this ministry and as we expand, we invite you to consider expanding your own involvement in what God is doing through God’s Helping Hands. You will find enclosed a schedule of the stops that our traveling team will be making this summer. You will also find enclosed a form to guide you through the donating process.

Thank you so much for praying for us and supporting us financially as we endeavor to reach more hearts for Christ!
