

Front Desk Perspective

My view while filming the curriculum video *Just Deserts*

Summer 2020

Travel time is fast approaching

After the difficult time last summer, I'm feeling a little apprehensive about the upcoming 11 weeks. Please join me as I pray that the team has good health, safety as we travel all over Michigan and down into Indiana, that we will be shielded from Satan's attacks and that

many hearts will be open to accepting the love and forgiveness that God is offering.

Now that filming has wrapped for our curriculum, I can turn my focus back to all things office. When my office was moved last fall, I didn't have a chance to organize as much as I wanted to so I will be working on that in the coming weeks. I will also be wrapped up in mailings, insurance, payroll, bill paying and everything else that goes along with administration. There are days I feel inadequate and it can feel like my brain can't take in any more information. I continue to pray for a willingness to keep learning and growing.

The upcoming series is *Beatitude Bayou*. You may remember our foot-tapping promotional music video from seven years ago? As soon as I start to think about that video the music gets stuck in my head- "*welcome to Beatitude Bayou where we learn to live God's way.*" The beatitudes can be found in Matthew 5:3-11. The word beatitude means "utmost bliss." Those attending our programs will learn that true happiness is only found in following God's way. Please pray that not only will new names be added to the Book of Life but also those who already know Him will be encouraged and grow in their walk with God.

1

PRAY FOR...

all of the staff as we prepare to leave just 2 short months from now.

2

SHARE...

about the ministry of GHH with your church or favorite camp.

CHECK OUT...

the updated schedule on our website:
www.ghhinc.org.
We have 7 events scheduled before we switch out programs.

New Office!

I love the flexibility of my new office. There is room for meetings and mailings.

Home Project: Complete!

After a year we finally put up trim along the floor. Love this little home!

Thank you!

I thank my God in all my remembrance of you,
Philippians 1:3
